

March 26, 2018

Anton Mosunov
Pure Math
MC

Dear Mr. Mosunov:

It gives me great pleasure to inform you officially that the Selection Committee for 2018 recommended that you receive the Amit & Meena Chakma Awards for Exceptional Teaching by a Student.

This award is the highest formal recognition given by the University of Waterloo for excellence in teaching by a registered student. The nomination received by the Selection Committee clearly indicated that your teaching has had an incredibly positive effect on the intellectual development of your students. The students appreciate that you “knew all of the students by name and made morning lectures fun”. You have earned the sincere respect of both your students and your professors.

The Amit & Meena Chakma Awards for Exceptional Teaching by a Student consists of an award valued at \$1000 which will be processed through your student account on Quest, a certificate, and acknowledgement at Convocation when you graduate. Please join us at the Teaching Excellence Celebration event being held on Wednesday, October 3, 2018 at the University Club from 3:30 to 5:00 pm.

On behalf of the University, I would like to thank you for your excellent contribution to teaching, and let me congratulate you again on receiving the Amit & Meena Chakma Award for Exceptional Teaching by a Student.

Yours sincerely,

Dr. Jeffrey M. Casello
Associate Vice-President, Graduate Studies and Postdoctoral Affairs
Chair, AETS Selection Committee

cc: Feridun Hamdullahpur, President
